Keep safe by staying SMART online:

**S**

**SAFE** Keep safe by being careful not to give out your personal information to people online.

**M**

**MEETING** Meeting someone you have only been in touch with online can be dangerous.

**A**

**ACCEPTING** Accepting emails or opening files, pictures or texts from people you don't know can lead to problems.

**R**

**RELIABLE** Remember that people online may not be who they say they are, and so online friends are really strangers.

**T**

**TELL** Tell your parent or carer if someone or something makes you feel uncomfortable or worried.
